LAUNCH OF 2025 MPUMALANGA INVESTMENT AND MINING CONFERENCE

The Mpumalanga Provincial Government will conduct a media launch for the 2025 Investment and Mining Conference. The launch is one of the build-up activities in support of the crucial 2-days conference scheduled to take place on 2-3 October 2025.

The Premier, Mr Mandla Ndlovu is confident that the conference will be a game-changer that will crystalize available opportunities of investment in the province to propel sustainable growth. He says the conference will propel the province to achieve the strategic priorities of the 7th administration, of driving inclusive growth and job creation, reducing the high costs of living and poverty, as well as building a capable, ethical and developmental state.

“We are repositioning our province as a globally competitive investment hub. Therefore the conference will help us to reposition Mpumalanga Province as an investment destination of choice, to forge a collective future where our wealth translates directly into the prosperity of our people, as we attract more investments,” Premier Ndlovu elaborates.

The conference will take place in the mining town of Middelburg, Steve Tshwete Local Municipality, and is targeting a broad spectrum of stakeholders from government, mining houses and investment agencies.
