### **Mpumalanga MEC for Public Works, Roads and Transport Embarks on Infrastructure Development Tour**

The Mpumalanga MEC for Public Works, Roads and Transport, Mr Thulasizwe Thomo will be undertaking a comprehensive tour of various infrastructure projects implemented by the Department.

During the visit, MEC Thomo will assess the progress and impact of ongoing projects, including road construction and infrastructure development initiatives. This tour is a demonstration of the department's commitment to delivering on its mandate of creating sustainable and accessible infrastructure that supports economic growth and improves the quality of life for the people of Mpumalanga.

"It is essential for me to see practical the progress of our projects and engage with the communities that they serve," said MEC Thomo. "This visit will enable me to better understand the challenges faced by the project teams and identify areas where we can improve our service delivery."

During the tour which will take place from the 21<sup>st</sup> - 24<sup>th</sup> Of January 2025 , MEC Thomo will visit various sites, including road construction projects and building infrastructure projects such as P182/ 1 road project in Hendrina, Assessment of Wonderfontein road and D2274, Mapulaneng new hospital, Lihawu road project in Pienaar just to mention the few. He will be accompanied by senior officials from the Department, who will provide updates on the progress and challenges faced by each project.

ENDS.
