**SUBJECT :** 2019 LEARNER PERFORMANCE IMPROVEMENT PLAN

Your attention is drawn to the attached 2019 Learner Performance Improvement Plan (LPIP) for implementation at all institutions, levels and grades across the entire system.

The Learner Performance Improvement Plan (LPIP) outlines the critical strategies designed to meet the targets in the 2019 Academic Year by mainly focusing on the mastery of Pedagogical Content Knowledge (PCK) and Subject Content Knowledge (SCK) which will ultimately lead to the realization of a keen, motivated, inquisitive, disciplined and performing learner enhanced by meaningful and active support from the Department, parents and the entire community in a conducive teaching and learning school environment.

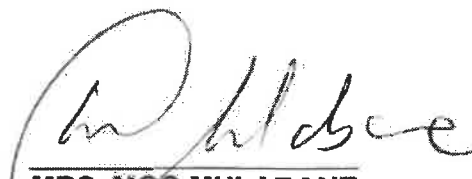

Given the plan, the districts, circuits and schools are expected to:

1. Customize the LPIP into Specific, Measurable, Attainable and agreed upon, Realistic and Timed (SMART) implementation plans, monitor and support the execution.
2. Compile Subject Performance Improvement Plans (SPIPs) and review them at the beginning of every term.
3. Submit quarterly reports regarding progress, challenges and mitigations in relation to the implementation of the plans.

Your cooperation is always highly appreciated.
