PART 1:

GENERAL INFORMATION

1. GENERAL INFORMATION

1.1 Submission of the Annual Report to the Executive Authority

The Public Finance Management Act mandates the Department of Education to provide an Annual Report at the end of each financial year. This document is a culmination of all efforts made to provide Quality Education and Training for a Better Life for All, as expressed by our Vision Statement.

In fulfillment of my obligations as the Acting Accounting Officer of the Mpumalanga Department of Education in terms of the Public Finance Management Act of 1999, I have pleasure in presenting the Annual Report 2008/09 to the Honourable MEC for Education, Mrs Reginah Mhaule.

1.2 Introduction by the Head of the Institution

The 2008/09 financial year mark the beginning of the new MTEF cycle which encapsulated various activities for the attainment and fulfilment of its mandatory obligations assigned to it.

Notwithstanding challenges that still face us in the Department of Education, we believe that the overall systemic improvements to broaden access to education constituted a significant achievement during the year under review. During the year under review the Department invested substantial resources to cater for the increased demand and expansion of opportunities for broadened access to education.

The 2008/09 financial year was a year in which hard work became the pillar to a better life for all as espoused in our Vision. The resilience work of educators shown in rounding up the old curriculum and coming to grips with the implementation of the National Curriculum Statement (NCS), should be commended. The NCS was part of our drive to improve quality, to modernize learning and to offer new opportunities to learners in the Country.

Indeed things changed for the better as the learning field is now opened to all to leverage their potentials. It must be noted from this cohort of learners that wrote the 2008 examinations as the first National examinations of its kind to be administered, was the largest in terms of candidate numbers as compared to 2007. The matric class of 2008 dropped to 51.2% when compared to the 60.7% of 2007.

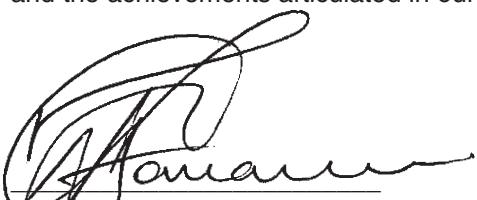

Critically poverty still remained one of the key barriers for learners to access education and, to mitigate the impact of poverty, the Department ensured: a) that the “No-Fee” Schools policy was implemented effectively where 952 schools were declared and gazetted benefiting 420, 238 learners; and b) implementation of the National School Nutrition Programme in all Quintile 1 to 3 primary schools benefiting 573,725 learners. This programme will be extended to all Quintile 1 secondary schools in the new financial year.

The Department was obliged to remove barriers of learning for learners with special needs, including the most vulnerable are now able to participate fully in the education system.

The 2008/09 financial year was the year of implementation of specific priorities such as:

- the universal enrolment of Grade R
- appointment of additional personnel
- infrastructure development
- non-capital non-personnel; and
- resourcing of Public Schools and Inclusive education.

We therefore enter the 2009/10 financial year with sound mind because of the foundation laid down from challenges encountered and the improved conditions of accessing quality education by vulnerable learners and the achievements articulated in our policy directives.

Dr T NGOMANE
ACTING HEAD OF DEPARTMENT

1.3 Information on the Ministry

The main function of the Mpumalanga Department of Education is to provide quality education and training. In addition to schools and FET Colleges, Mpumalanga Regional Training Trust, a public entity, also falls under the control of the Executive Authority.

1.4 Mission Statement

The Mpumalanga Department of Education is committed to rendering quality education and training through good governance, effective teaching and learning, skills development, involvement of stakeholders and the maximum utilization of resources for socio-economic enhancement of all citizens.

1.5 Legislative Mandate

The Department derives its Core mandate from the Constitution of the Republic of South Africa, Act 108 of 1996. Section 29 states that:

Everyone has the right:-

- a) to a basic education, including adult basic education; and
- b) to further education, which the State, through reasonable measures, must make progressively available and accessible.

Everyone has the right:-

- to receive education in the official language or languages of their choice in public educational institutions where that education is reasonably practicable. In order to ensure the effective access to, and implementation of this right, the State must consider all reasonable educational alternatives, including single medium institutions, taking into account:
 - a) equity
 - b) practicability; and
 - c) the need to redress the results of past racially discriminatory laws and practices.

Everyone has the right:-

- to establish and maintain, at their own expense, independent educational institutions that:
 - a) do not discriminate on the basis of race
 - b) are registered with the State; and
 - c) maintain standards that are not inferior to standards at comparable public educational institutions.

The following list of Acts further elaborates the legislative mandate of the Department of Education:

- **Skills Development Act (No. 97 of 1998):**
 - It provides an institutional framework to devise and implement National, sector and workplace Strategies
 - To develop and improve the skills of the South African workforce
 - To integrate those strategies within the National Qualifications Framework contemplated in the South African Qualifications Authority Act of 1995
 - To provide for learnerships that lead to recognised occupational qualifications
 - To provide for the financing of skills development by means of a levy grant scheme and a National Skills Fund; and
 - to provide for and regulate employment services; and to provide for matters connected therewith.
- **Adult Basic Education Act (No. 52 of 2000):**

To regulate Adult Basic Education and Training; and to provide for the establishment, governance and funding of public adult learning centres.

- **FET Colleges Act (No. 16 of 2006):**
 - To provide for the regulation of Further Education and Training;
 - To provide for the establishment, governance and funding of public Further Education and Training Colleges;
 - To provide for the employment of staff at public Further Education and Training Colleges;
 - To provide for the registration of private Further Education and Training Colleges;
 - To provide for promotion of quality in Further Education and Training;
 - To provide for transitional arrangements and the repeal or amendment of laws; and
 - To provide for matters connected therewith.
- **National Education Policy Act (No. 27 of 1996):**
It provides for the determination of National Policy for education; and determine policy on salaries and principles that govern education.
- **South African Schools Act (No. 84 of 1996):**
To provide for a uniform system; for the organisation governance and funding of schools; to amend and repeal certain laws to schools; and to provide for matters connected therewith.
- **Mpumalanga School Education Act, 1995:**
It provides for development of regulations and policies within the Province and it is in line with the South African Schools Act No. 84 of 1996.
- **South African Qualifications Authority Act No. 58 of 1995:**
It provides for development and implementation of a National Qualification Framework and, for this purpose, to establish the South African Qualifications Authority, and to provide for matters connected therewith.
- **Public Service Act of 1994:**
The Public Service Regulations of 2001 set up a regulatory framework underpinning the operations of the Department in the discharge of its mandate.
- **Further Education and Training Act (No. 98 of 1998):**
To regulate Further Education and Training and provide for the establishment, governance and funding of Public Further Education and Training institutions.
- **Employment of Educators Act (No. 76 of 1998):**
To provide for the employment of educators by the State and for the regulation of the conditions of service, discipline, retirement and discharge of educators.
- **Public Finance Management Act of 1999:**
To regulate financial management in the National Government and Provincial Governments; and to ensure that all revenue, expenditure, assets and liabilities of those Governments are managed effectively and efficiently.
- **Preferential Procurement Policy Framework Act (No. 5 of 2000):**
To regulate all procurement issues in the department.
- **Employment Equity Act (No. 55 of 1998):**
It provides for the redress on the discriminatory laws and practices, disparities in employment occupation and income within the National labour market.
- **The General and Further Education and Training Quality Assurance Act (No.58 of 2001):**
To provide for the establishment, composition and functioning of the General and Further Education and Training Quality Assurance Council; and to provide for quality assurance in General and Further Education and Training.

PUBLIC ENTITIES:

The Department has the Mpumalanga Regional Training Trust (MRTT) as the only public entity. The focus area of the MRTT is the implementation of the **Skills Development Act No. 97 of 1998**. Furthermore, the main functions of the entity are to:

- deliver technical, entrepreneurial, management and leadership skills training; and
- placement of trainees in employment.

The MRTT is now faced with the challenge to deliver training within a New National Training Policy Framework in a new institutional environment and financing model.

The MRTT, as a public entity, is responsible for the training of out-of-school youth in the Province on skills such as:

- panel beating
- building
- plumbing
- construction; and
- tourism, et cetera

PART 2:

PROGRAMME PERFORMANCE

PART 2

2. PROGRAMME PERFORMANCE

The Programme Performance section of the Annual Report of the Department is in accordance with the Annual Performance Plan as tabled in the Legislature and it clearly provides information on the Department's performance against specified service delivery objectives and targets. The Mpumalanga Department of Education, for the 2008/09 financial year, have adopted uniform budget and programme structures and have also customised the Strategic and Performance Plans to reflect a minimum set of information to be contained within these Plans. The sector further agreed on a minimum set of performance measures and measurable objectives against which the sector would be measured.

2.1 Voted Funds

Appropriation	Main Appropriation	Adjusted Appropriation	Actual Amount Spent	Over/Under Expenditure
Provincial Equitable Share	8,573,006	8,904,269	8,968,092	(63,823)

Responsible Minister	Member of the Executive Council for Education			
Administering Dept	Mpumalanga Department of Education			
Accounting Officer	Superintendent-General of Education			

2.2 Aim of the Vote

The aim of the Mpumalanga Department of Education is to develop, maintain and support a South African Education and Training System for the 21st century.

2.3 Summary of Programmes

The Education sector adopted a uniform budget and programme structure that reflects the minimum number of programmes. These programmes and its contents are encapsulated in definitions, which explain what are to be included under each programme and sub-programme.

The activities of the Mpumalanga Department of Education are organised under the following eight programmes:

Programme	Sub-programme
1. Administration	1.1 Office of the MEC 1.2 Corporate Services 1.3 Education Management 1.4 Human Resource Development 1.5 Conditional Grants 1.6 Education Management Information System (EMIS)

8. Auxiliary and Associated Services	8.1 Payments to SETA 8.2 Conditional Grant Projects 8.3 External Examination

2.4 Overview of the Service Delivery Environment for 2008/09

The Department was charged with the responsibility of provisioning education at Public Ordinary Schools. To accomplish this, the Department provided:

- learner support material and equipment to almost 1,050,000 learners in all educational institutions
- scholar transport to almost 68,388 needy learners in rural areas
- sufficient infrastructure to educational institutions such as water, electricity and security fences
- training on Outcome Based Education to educators in all grades on National Curriculum Statement (NCS)
- equitable and sufficient educators to almost 2,200 educational institutions; and
- food to 573,725 needy learners at 1,400 schools through the NSNP.

The Department also promoted HIV and AIDS Awareness Programmes and Campaigns, the Early Childhood Development (ECD) programme at 1,029 registered centres and Adult Basic Education and Training (ABET) at 282 adult centres.

Poverty remains one of the key barriers to accessing education and development opportunities by the poor households, resulting in children not attending school because parents cannot afford school fees. As part of the National effort to address the plight of the poor, the Province has ensured that the 'No-Fee' Schools' Policy is effectively implemented. To date 952 schools have been declared 'No-Fee' Schools benefitting 420,238 learners.

To mitigate the impact of poverty on poor learners, the implementation of the school nutrition programme benefited 573,725 in the current financial year, representing 40% of the total learner enrolments in the schooling system. This school nutrition programme will be extended to all Quintile 1 in secondary school in the new financial year.

The Department will continue to provide food to needy learners by means of funding from the National Department.

Improved access to quality education remains one of the crucial levers of social development and progress in any developing society such as ours. As a basic human right, education is one of the most powerful tools to develop the human capital that is able to drive high levels of economic growth, reduce poverty and break inter-generational cycles of poverty.

Over the last five years the Department of Education has invested substantial resources to cater for the increased demand and expansion of opportunities for broadened access to education. As part of advancing the achievement of the Millennium Development Goals' (MDGs) equity targets, this period has seen the increase in the number of girl learner gaining access to education. Although female enrolments in the system remain slightly less at 49.64%, the overall female enrolment growth trend is a good indication that Mpumalanga will reach the equity targets of the MDGs by 2010.

The Department has seen the importance of Early Childhood Development (ECD) as a mechanism to ensure that learning foundation is provided to impact positively on future learning performance and educational attainment by young children. In this instance, significant progress has been made in expanding access to ECD. The number of learners accessing ECD services grew from 18,301 in 2004 to 62,679 in 2008. The number of ECD practitioners doubled from 750 in 2004 to 1,779 in 2008.

The Department is on course to broaden access and improve quality education through making education a societal phenomenon by:

- repositioning of FET colleges as the recapitalization programme ends
- elimination of fee payments to public schools
- resourcing of poor schools through QIDS-UP Programme
- eradication of illiteracy through the mass literacy campaign - Kha Ri Gude; and
- the implementation of the MST strategy.

2.5 Overview of the Organisational Environment for 2008/09

Critically the challenge facing our education system is ensuring that the Department continues to work hard in order to improve the quality of education and performance of perennially low-performing schools. This will contribute to enhancing learner attainment levels across all grades, including matric.

The Department continued to focus on the establishment of common standards and applied focused intervention strategies to improve the performance of schools in an effort to increase the matriculation pass rate.

The area that impacted on service delivery was the shift in municipal boundaries. This impacted tremendously on the provisioning of resources. The handover of Bohlabela District from the Limpopo Province to Mpumalanga with almost 370 schools had huge financial implications. The increase in the compensation of employees increased dramatically and the provisioning of LTSI also had a drastic impact.

The demand to extend the School Feeding Programme to secondary school learners from the conditional grant also had a dramatic impact on the provision of quality education. Although funds allocated are insufficient to cater for the great demand, schools also engaged communities through the provision of food gardens.

The Department had pressure to strike the balance between the construction of schools and the provisioning of maintenance budgets. Current pressure is on reducing the backlog on classroom provisioning and the elimination of kids learning under trees rather than the maintenance of existing school buildings.

One other cardinal factor that impacted on the Department's ability to deliver on its Strategic Plan and services was the dismissal of the DDG: Chief Financial Officer (CFO) for contravening the PFMA.

2.6 Strategic Overview and Key Policy Developments for the 2008/09

Improving Management and Governance at Education Institutions

The Department has focused extensively on improving the management and governance at educational institutions and have focused at all levels to make such institutions quality assets for communities. Initiatives undertaken in this regard included conducting workshops for School Management Teams and School Governing Body personnel on matters related to financial management, people management and conflict management.

Towards Creating a Safe Learning and Teaching Environment

The obligatory mandate of the Department of Education is to create a safe and tolerant learning environment that is espoused by innocence and values human dignity. This endeavour is known as Hlayiseka Early Warning System which seeks to be able to detect any signs that would inhibit the smooth running of a school in time.

The goals of safe schools are to:

- develop and maintain a safe, welcoming and violence-free learning environment enabling learners to develop knowledge, skills necessary to prevent and deal with violence appropriately
- ensure educators develop knowledge and skills to recognise and handle violence
- ensure that victims, witnesses and perpetrators know that the school will act to stop or prevent violence
- develop interventions to minimize and reduce sexual and gender-based violence
- help learners to understand acceptable behaviour in school and in society
- educate and encourage learners to actively participate in their school and community; and
- encourage communities, NGOs, faith-based organizations and business to support school safety initiatives and promote a safe learning environment.

The four building blocks towards creating a safe and tolerant learning environment are:

- **Be prepared** – to prevent and manage problems
- **Be aware** – of what is happening in the school
- **Take action** – when something happens; and
- **Take care** – to build a caring school.

Quality Improvement, Development, Support and Upliftment Programme (QIDS-UP)

The QIDS-UP Programme is the Department's initiative to resource poor and disadvantaged schools and to monitor learning outcomes. The planned output was designed to produce and deliver equipment, and learning and teaching resources to the poorest primary schools. The plan also entailed the provisioning of learning support assistants to the poorest primary schools.

During the 2008/09 financial year the programme (QIDS-UP) succeeded in procuring and delivering the following resources:

- 2500 Computers to 100 identified poor and disadvantaged primary schools
- Library books for three QIDS-UP model schools in Nkangala Region
- Literacy material to 503 poor primary schools
- Multilingual and bilingual dictionaries to 503 poor primary schools (50 dictionaries per school)
- 906 Numeracy kits to 203 poor primary schools
- 200 Learning support assistants recruited for 100 identified poorest primary schools, to support learning in the Foundation Phase
- 3 Schools in Delmas were upgraded and renovated; and
- Libraries, laboratories, kitchens for nutrition programmes, toilets and an extra four classes at Swartklip Combined School were renovated and upgraded.

Collective Agreements

- Collective Agreement No.1 of 2008: "Framework for the Establishment of an OSD for Educators in Public Education"
To introduce an Occupation Specific Dispensation (OSD) for Educators
- Collective Agreement No.2 of 2008: "Special Task Teams on OSD"
To establish a task team and to determine its terms of reference
- Collective Agreement No.3 of 2008: "Vote Weights for the Trade Unions that are Parties to the Council"
To establish the vote weights for the trade unions that are parties to the council
- Collective Agreement No.4 of 2008: "Amendment of the ELRC Constitution" as certified by the Registrar of Labour on 25 April 2007 and as ratified by Collective Agreement No. 6 of 2007
The purpose of this agreement is to amend Collective Agreement No.6 of 2007 that ratified the constitution of the ELRC as certified by the Registrar on the 25th April 2007
- Collective Agreement No. 5 of 2008: "Further Education and Training Colleges sector bargaining unit"
To establish a Bargaining and Dispute Resolution Forum for the FETC sector

FET Curriculum

- Regulations Pertaining to the Conduct, Administration and Management of National Senior Certificate Examination – August 2008
This is a regulation gazetted in August 2008 (No. 31337) by the National Department of Education to regulate all aspects of the administration of the National Senior Certificate Examination.
- School Based Assessment (SBA) Policy and Procedures – 2009
This is a Provincial policy in line with the Regulations Gazette No 31337 to establish uniform procedures to manage the School Based Assessment in the Province

2.7 Departmental Receipts

The Department had a 47% over-collection on Own Revenue. This over-collection is mainly due to items of which the collection is irregular in nature, namely, Interest on Bank Account, Commission Insurance and Recovery of Previous Year's Expenditure. The other contributing item is the disposal of capital assets which was not budgeted for.

Specific Challenges and Responses

Challenge 1: Shortage of Staff Shortage of staff in Division: Departmental Debt.
Response to Challenge 1 Filling of vacant posts and approval of proposed Division: Departmental Debt structure.
Challenge 2: Money for Examination Separation between receiving of money for examination-related applications and progress with regard to the processing of applications.
Response to Challenge 2 Establishing a cash office at the examination offices (Valencia) so that applicants can make enquiries at the service point where they made their applications.

Issues Requiring Ongoing Attention

- Monitoring and inspection of Own Revenue collection at all cash offices across the Province
- Introduction of a system that will ensure that employee contact details are constantly updated; and
- The establishment of a functional database of all State property in the Department of Education so as to determine the expected rental income from tenants that benefit from State accommodation.

Occupation Specific Dispensation (OSD) implementation - among other cost drivers - led the Department to overspend on its Vote during the period under review with an amount of R3.9 million. The key cost drivers and their impact on the financial position of the Mpumalanga Department of Education (MDoE) are:

- The implementation of OSD for educators during the period under review seriously impacted on the budget. The OSD agreement was reached and signed in April 2008 and was required to be retroactively implemented from January 2008. The additional funding received to address the OSD did not adequately allow for the carry through effect of the implementation of OSD in the Compensation of Personnel Budget of the MDoE.
- The tariff increment of markers for the November 2008 examinations was agreed and implemented after budget adjustment.
- Additional support programmes offered to address the exam preparation needs of Grade 12 learners in Mpumalanga also impacted on the budget.
- The significant adjustment of scholar transport tariff rates for the service providers also contributed towards the over expenditure.
- The contractual obligations of the MDoE towards infrastructure projects undertaken by the MDoE's Implementing Agents dating back to 2004 also became key cost drivers during the period under review. Due to the required management intervention certain planned projects had to be reprioritised.

Conditional grant funding had been spent to finance over- expenditure on goods and services as well as compensation of employees. An amount of R64 371 141.42 of conditional grants has been utilized to off-set current expenditure (equitable share). This amount is defined as unauthorised expenditure in terms of the prescribed definition as the funds were utilized to decrease the overspending of the Vote. The Department has also overspent on Programmes 2 and 8 with a total amount of R257 593 314.44 which is also classified as unauthorised expenditure. The Department has, by overspending the total budget for Compensation of Employees with R414 005 781.66 also incurred irregular expenditure for the 2008/09 financial year.

Specific Challenges and Responses

Challenge 1: Overspending of Budget

Budget Constraints

Response to Challenge 1

The Department has placed a moratorium on the filling of posts, implemented cost curtailment measures and also reprioritized the budget for the 2009/10 financial year to address possible overspending in future

Issues Requiring Ongoing Attention

None.

2.9 Programme Performance

The Mpumalanga Department of Education has provided measurable objectives for each main division within the Department's Vote in the Annual Performance Plan for 2008/09 financial year according to Section 27(4) of the PFMA. The programme performance is in accordance with the Annual Performance Plan as tabled in the Legislature.

Performance measures and targets as required by Provincial Treasury and the National Departments of Education and National Treasury are reflected in paragraph 2.10.

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM101: Number of schools implementing the School Administration and Management System	854	1,754	1,165	589	34
PM102: Number of schools that can be contacted electronically by the Department	288	1,754	772	982	56
PM103: Number of black women in senior management positions	5	21	7	14	67
PM104: Current expenditure going towards non-personnel items	310,036	2,309,929	1,239,381	1,070,548	46

Specific Challenges and Responses

Challenge 1: Data Coordination in the Department

Inconsistent and incorrect data received at times

Response to Challenge 1

A system that ensure accuracy, reliability and uniformity of all data to be developed by EMIS Section

Issues Requiring Ongoing Attention

- Consultation and continuous support to public schools
- Employment equity targets to be reached in term of Employment Equity Act; and
- Sustainability and enhancement of the corporate image of the Department.

Programme 2: PUBLIC ORDINARY SCHOOL EDUCATION

Programme Objective: To provide public ordinary education for Grades 1 to 12 in accordance with the South African Schools' Act

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
*PM: Number of learners benefiting from scholar transport	35,953	51,376	68,388	17,012	(33)
*PM201: Number of learner days covered by the nutrition programme	35,953	113,597,550	110,728,925	2,868,625	2.5
*PM202: Number of learners in public ordinary schools with special needs	17,884	17,644	18,004	(36.0)	(2)
PM203: Number of public ordinary schools with a water supply	1,623	1,877	1,683	194	10
*PM204: Number of public ordinary schools with electricity	1,631	1,506	1,613	(107)	(7)
PM205: Number of schools with an adequate number of functional toilets	488	600	538	62	10
PM206: Expenditure on maintenance as a percentage of the value of school infrastructure	1,1%	15,656,000	16,000,000	344,000	(2)
PM207: Number of schools with more than 40 learners per class	352	200	536	(336)	(168)
PM208: Number of non-Section 21 schools with all LTSMs and other required materials delivered on day one of the school year	0	0	0	0	0
PM209: Number of schools with Section 21 status	1,801	1,915	1,888	27	1.4
PM210: Number of working days lost due to educator absenteeism in public ordinary schools	138,230	142,082	129,556	12,526	9
PM211: Number of learner days lost due to learner absenteeism in public ordinary schools	3,104,228	3,314,562	3,148,232	166,330	5

**NOTE: PM number of learners benefiting from scholar transport: the Department experiences challenges in this item and had to conduct a forensic audit. The figure 68,388 actual number learners benefiting as per audit findings.*

**NOTE: PM201 refers: The Performance Measure was wrongly calculated due to the formula not being understood and has been corrected after consultation with Treasury.*

**NOTE: PM202 refers: The prescripts in the Annual Survey indicates that only learners certified by a professional may be indicated as learners with special needs; therefore the figure does NOT indicate the real situation and we do not do justice to these learners.*

**NOTE: PM204 refers: The majority of projects referred to here were previous years projects since only one project for the 2008/09 financial year was completed.*

Sub-Programme 2.1: Public Primary Phase

Sub-programme Objective: To provide specific public primary ordinary schools with resources required for Grades 1 to 7

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM212: The performance ratio of the least advantaged schools to the most advantaged schools with regard to Grade 3	1:1,53	1:1,51	1:1,48	0.03	1.9
PM213: Repetition rate in Grades 1 to 7	0,074	0,066	12,34	(12.2)	(18.6)
PM214: Number of learners in Grade 3 attaining acceptable outcomes in Numeracy and Literacy	80,637	82,534	83,457	(923)	(1.1)
PM215: Number of learners in Grade 6 attaining acceptable outcomes in Mathematics, Literacy and Natural Sciences	74,980	72,557	77,872	(5.315)	(7.3)

Specific Challenges and Responses

Challenge 1: Reading and Numeracy Performance

Low learners' levels of performance at Foundation Phase in Literacy and Numeracy

Response to Challenge 1

Reading Strategy launched to alleviate the poor performance

Issues Requiring Ongoing Attention

- Lack of sports facilities, Science and Technology equipment in farm, rural and public ordinary schools; and
- Training of educators on MultiGrade Teaching (MGT) in farm and rural schools

Sub-Programme 2.2: Public Secondary Phase

Sub-programme Objective: To provide specific public secondary ordinary schools with resources required for Grades 8 to 12

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM216: Number of girl learners who take Mathematics and Science in Grades 10 to 12	54,887	59,477	40,743	18,734	31
PM217: The performance ratio of the least advantaged schools to the most advantaged schools with respect to the Grade 12 pass rate	1:2.1	1:1.9	1:2.1	0.2	20
PM218: Repetition rate in Grades 8 to 12	28,64	13.67%	39.6%	2.593	52.5
PM219: Pass ratio in Grade 12 examinations	60,8%	76.8%	51.65%	2.515	32.7
PM220: Pass ratio in Grade 12 for Mathematics and Science	1:1.03	2%	0.7%	5.318	1.3
PM221: Number of learners in Grade 9 attaining acceptable educational outcomes in all learning areas	58,295	65,278	60,454	4.824	7

Specific Challenges and Responses

Challenge 1: Poor content knowledge of educators to implement the NCS Curriculum

A large percentage of the educators do not have adequate knowledge and skills to implement the NCS Curriculum effectively to realise the outcomes in classrooms

Response to Challenge 1

- Short content enrichment courses are conducted for all the subjects during school holidays
- Bursaries are given to educators to pursue accredited courses like ACE

Challenge 2: Lack of proper assessment techniques

- The educators are not conversant with the depth of content required for assessment purposes
- Many educators struggle to formulate quality assessment tasks in line with the NCS requirements
- Lack of skills to do practical work effectively in practical subjects

Response to Challenge 2

- Examination guidelines are compiled and distributed to all educators
- Exemplar assessment tasks are compiled in all subjects and distributed to all educators
- Short training courses are conducted on practical work. Science kits are distributed where formal laboratories are not available

Issues Requiring Ongoing Attention

- Grade 12 learners to be continuously supported for maximum results
- Resorting of the Regions in the implementation of the New Curriculum Statement (NCS)
- Schools offering IT and CAT to be supplied with resources required; and
- Implementation of MST in schools.

Programme 3: INDEPENDENT SCHOOLS

Programme Objective: To support independent schools in accordance with the South African Schools' Act

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM301: Number of funded independent schools visited for monitoring purposes	44	68	34	34	50

Specific Challenges and Responses

Challenge 1: Lack of clear communication channels

A clear line of communication between Head Office and the Regions with the independent schools to ensure a uniform implementation approach

Response to Challenge 1

Designed a coordinated and integrated management plan between Head Office and the Regions guided by the Provincial policy

Issues Requiring Ongoing Attention

- Finalisation of the Provincial policy on the management of Independent schools according to SASA; and
- Submission of Audited Financial Statement by schools to fast track transfer payments.

Programme 4: PUBLIC SPECIAL SCHOOL EDUCATION

Programme Objective: To provide compulsory public education in special schools in accordance with the South African Schools' Act and White Paper 6 on Inclusive Education

Sub-programme 4.1: Schools

Sub-programme objective: To provide specific public special schools with resources

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM401: Number of children with special needs aged 6 to 15 not enrolled in educational institutions	3,120	1,560	716	844	45.8

NOTE: Very difficult to determine as data is not available on out-of-school learners.

Specific Challenges and Responses

Challenge 1: Upgrading of Infrastructure

Delay in the tendering processes and upgrading of physical facilities at special schools, reform schools and schools of industries

Response to Challenge 1

Task team to be established to fast track the upgrading processes

Challenge 2: Curriculum Adaptation

Educators experience difficulties with curriculum adaptation and differentiation

Response to Challenge 2

Arrangement and facilitation of capacity building workshop for educators on curriculum adaptation and differentiation be put in place

Issues Requiring Ongoing Attention

- Empowerment, capacity building and training of Youth and Child Care Workers at Reform schools
- Provision of additional space in institutions for out of school disabled youth
- Outreach programme for learners suffering from autism; and
- Shortage of specialized social support staff with high level support needs.

Programme 5: FURTHER EDUCATION AND TRAINING

Programme Objective: To provide Further Education and Training (FET) at public FET Colleges in accordance with the Further Education and Training Act

Sub-programme 5.1: Public Institutions

Sub-programme objective: To provide specific public FET colleges with resources

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM501: Number of FET students relative to youth in the Province	15,608	19,063	20,604	1,541	8
PM502: Number of female students who are in technical fields	5,648	6,000	7,397	1,397	23
PM503: FET College throughput rate	70	75	44.6	30	30
PM504: Number of learners placed in learnerships through FET Colleges	820	811	1,555	744	91

Specific Challenges and Responses

Challenge 1: Low throughput rate

Low throughput rate in all subjects

Possible Reasons:

- Textbooks not delivered on time in 2008
- Lack of clear guidelines regarding the depth of the content coverage
- Lack of qualified lecturers to teach almost all subjects; and
- In technical subjects the high standard of the Mathematics curriculum which is compulsory
The learners are generally not able to cope with the demands of the curriculum.

Response to Challenge 1

- Arrangements are made to deliver textbooks on time
- Examination guidelines are compiled and distributed; and
- Discussions are initiated with the National Department to revise the Mathematics curriculum.

Issues Requiring Ongoing Attention

- Submission of audited statements on time by FET Colleges for the transfer of payments; and
- Shortage of classrooms and equipment at FET Colleges.

Programme 6: ADULT BASIC EDUCATION AND TRAINING

Programme Objective: To provide Adult Basic Education and Training (ABET) in accordance with the Adult Basic Education Act

Sub-programme 6.1: Public Centres

Sub-programme objective: To provide specific public ABET sites with resources

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM601: Number of ABET learners relative to adults in the Province	26,339	28,000	23,667	4,333	15.4

Specific Challenges and Responses

Challenge 1: Shortage of qualified staff

The Unit is presently in dire need of qualified educators

Response to Challenge 1

Human Resource Management to assist in coming up with a strategy to retain educators

Issues Requiring Ongoing Attention

- Educators to undergo capacity training so as to be able to accommodate adult learners experiencing barriers in learning; and
- Procurement of adult learner packs for Literacy and Numeracy

Programme 7: EARLY CHILDHOOD DEVELOPMENT

Programme Objective: To provide Early Childhood Education (ECD) at the Grade R and earlier levels in accordance with White Paper 5

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
PM701: Number of learners in publicly funded Grade R	28,652	32,330	52,000	(19,670)	(60.8)

Specific Challenges and Responses

Challenge 1:

Some CGB members not pitching up for training due to other commitments

Response to Challenge 1

Regions to train outstanding CGB members to ensure that they deliver on their mandate

Issues Requiring Ongoing Attention

- Late submission of transfers of subsidies to Grade R schools
- Advocacy campaign to be held on ECD matters with all relevant stakeholders; and
- ECD educators be capacitated on NQF Levels 4 and 5.

Programme 8: AUXILIARY AND ASSOCIATED SERVICES

Programme Objective: To provide the education institutions as a whole with training and support

Sub-programme 8.3: External Examinations

Sub-programme objective: To provide for Departmentally managed examination services

Description of Objective and Performance Measure	Actual Outputs 2007/08	Target Outputs 2008/09	Actual Outputs 2008/09	Deviation from Target	
				Units	%
The extent to which examinations as a whole are conducted according to relevant National policy and Provincial guidelines in terms of entries, timetabling, distribution, marking, remarking, moderation, certification and payment	100%	100%	90%	10	10
The extent to which Provincial examination papers for Grade 12 and Grade 12 supplementary examinations are developed three (3) months prior to commencement of examinations	100%	100%	100%	0	0

Specific Challenges and Responses

Challenge 1: 2008 National Senior Certificate (NSC) entries

- The introduction of the new IECS led to varied challenges ranging from double candidate registration to some Grade 11 candidates erroneously captured as Grade 12 candidates; and
- Electrical power load shedding and connectivity challenges due to narrow bandwidth led to downtime and sluggishness in the transmission of data from the Province to the central National server.

Response to Challenge 1

- Double entry candidates were traced and deregistered from the system to remain with single candidates. Grade 11 candidates' registration was suspended as a contingency measure and those erroneously appearing on Grade 12 were deleted; and
- The bandwidth was increased to accommodate the transmission of sufficient data.

Challenge 2: 2008 NSC Marks Capturing

- Double registration resulted in the candidates having incomplete results as marks were captured in different candidate profiles
- The IECS lost marks captured as the system has only a central server that does not allow Provincial control or back-up data and it was also being developed and maintained while capturing was taking place; and
- The IECS is a web-based system and it was mostly slow and impeded the progress of the capturers.

Response to Challenge 2

More capturers were introduced and they worked overtime to overcome challenges encountered.

Challenge 3: Marks retrieval

Due to the lack of a proper script and mark sheets filing system and storage, it became convoluted to retrieve mark sheets and scripts to re-capture the required marks.

Response to Challenge 3

Staff from various sections within the Province were mobilised and deployed to rescue the situation.

Challenge 4: Marking Tariff increase

The NDE increased marking tariffs for all marking categories and this led to an increased cost for the payment of markers.

Response to Challenge 4

The Directorate anticipated over-expenditure and requested more allocation of funds from the Budget Section.

Issues Requiring Ongoing Attention

- Consistent monitoring of all examination-related procedures and processes from Grades 1 to 12 throughout the academic year; and
- Capturing of Grades 10 to 11 as per the new National system and finalization of Grade 12 registration processes.

2.11 Transfer Payments

Transfers were made to the following institutions in the 2008/09 financial year:

Name of Institution	Amount Transferred R'000
Mpumalanga Regional Training Trust (MRTT)	23,000
Independent Schools	11,136
Special Schools	27,248
Further Education and Training Centres	29,241
Early Childhood Development Centres	39,586
Section 21 schools	112,215
No-Fee Schools	60,089
TOTAL	302,515

2.12 Conditional Grants

Summary of Conditional Grants for 2008/09

Conditional Grant	Total Allocation	Total Transfers	Actual Expenditure
Infrastructure Development	171,673	232,626	218,439
HIV and AIDS	13,848	14,769	13,592
NSNP	136,606	166,290	121,753
FET Recapitalization	39,099	39,104	39,103
TOTAL	361,226	452,789	392,887

2.12.1 Infrastructure Development

- The following **challenges** were encountered: Cash flow: some projects had to come to a stand still due to delays in payments. Project closure proceeds at a very slow pace. Procurement of movable classroom has been stalled by the Implementation Agency. The vacancies within the Department have rendered monitoring of projects ineffective. This also affects the preparation of projects before being referred to the Implementation Agency. The eradication of inappropriate structures and old projects seem not to be registering any progress. There is space challenge for proper keeping of files. Lack of expertise among the personnel on filing of documents. Project management is a serious challenge; projects stay longer on retention when they are expected to stay for three months only.
- Achievements** registered are that projects that reached the highest level of completion during the year are 97. The breakdown is as follows: Completed Projects: 38; Retention Stage: 31 projects; Delivery Stage: 18; and Closed Projects are 10.

2.12.2 HIV and AIDS Programme

The HIV and Aids Programme succeeded in carrying out the following programmes during the year under review:-

Teacher Development

3 630 Educators were capacitated on Life Skills HIV and AIDS programmes: Sexuality Education, Care and Support of Orphaned and Vulnerable Children.

Turning Schools into Nodes of Care and Support

392 Schools turned into Nodes of Care and Support.

Peer Support Programme

2 061 Grade 10 learners were empowered on a Peer Support Programme to promote positive living style.

Care and Support

One major coordinated service delivery campaign was organized: 80 schools were reached and 4 290 learners assisted with Birth Certificates and Identity documents.

EMGD to Empower School Management Teams (SMTs) on Policy Development

400 SMTs empowered on HIV and AIDS Policy Development

2.12.3 FET Recapitalization

The NC(V) Curriculum was implemented successfully from Levels 2 to 4 in all of the colleges. The enrolment of learners has increased from 1 901 in 2007 to 8 119 in 2009 as per the statistics given below.

MPUMALANGA NC(V) ENROLMENT STATISTICS (2007 - 2009)

2007				2008				2009			
Level 2	Level 3	Level 4	Total	Level 2	Level 3	Level 4	Total	Level 2	Level 3	Level 4	Total
1 901	0	0	1 901	4 126	827	0	4 953	5 790	1 917	412	8 119

Achievements

NKANGALA FET COLLEGE

- 128 Lecturers were trained in line with the delivery of NCV programmes
- 3 Workshops were upgraded
- 54 Classrooms were upgraded
- 3 Student support units were established
- 14 Workshops were equipped to offer Engineering and Hospitality related Programmes at 4 campuses
- 29 Classrooms were installed with modern equipment
- 9 429 Textbooks purchased

GERT SIBANDE FET COLLEGE

- 114 Lecturers were trained in line with the delivery of NCV programmes
- Part of a hostel converted into a hospitality centre
- 1 Student support unit established
- 24 Classrooms built
- 4 Workshops were built to offer Engineering related Programmes related programmes at 3 campuses
- 13 Offices built
- 1 Laboratory established
- 23 730 Textbooks purchased.

EHLANZENI FET COLLEGE

- 72 Lecturers were trained in line with the delivery of NCV programmes
- 3 Classrooms upgraded
- 2 laboratories established
- 3 Workshops were installed with equipment to offer Engineering related Programmes at 3 campuses
- 8 New classrooms built
- Multi-purpose centre completed.

2.12.4 National School Nutrition Programme (NSNP)

Challenges

- The economic meltdown affected food prices
- The cash-flow challenges in the Department resulted in the late payment of suppliers' invoices; and
- The quintile ranking of schools has persistently posed a threat to vulnerable and needy learners of being removed from the feeding programme.

Responses to Challenges

- Service providers' prices were adjusted following funding received during the appropriation
- Invoices for the last quarter of 2008/09 handled as accruals in the 2009/10 financial year; and
- Submission made to EMIS for the re-ranking of schools.

Achievements

- 573 725 Learners in 1 400 schools fed for 193 days
- 3 227 Food handlers paid a stipend of R400 per month for the preparation and serving of meals; and
- 185 Vegetable gardens established and 751 gardens maintained.

2.13 Capital Investment, Maintenance and Asset Management Plan

Capital Investment

- Projects that reached the highest level of completion during the year under review, are 20. The breakdown is as follows: Completed Projects: 8; Retention Stage: 5 projects; Delivery Stage 5; and Closed Projects are 2
- Projects that started and are still in progress are 724. To state exactly when these projects will be completed is one of the challenges. Planned dates change every month; and
- There are no indications to close down or down grade facilities

Maintenance Backlog

Previously no proper maintenance took place to save for the renovations and refurbishment of facilities. The current maintenance backlog is almost 85% of the schools. The Department is in a process to develop a reactive maintenance programme. A start was made during 2008/09 whereby Regions were allocated a sum of R4 million each. With the aid of this programme 79 schools were maintained.

The impact is that the Department is likely to overspend due to projects which started in the previous years which were not completed by then. These schools need to be completed during this financial year in order to streamline the budget allocation to the MTEF. The maintenance of facilities must also be institutionalised to ensure that buildings are kept in a good working order. This will cause a further dent in the available budget. In addition, 21 schools were affected by storms in Bushbuckridge and Ehlanzeni Regions alone. The Department responded effectively. Due to over commitment the Department could not respond to emergencies similar to those of Bushbuckridge and Ehlanzeni Regions which occurred in the Gert Sibande Region.

Asset Management Plan

During the 2008/09 financial year the Department of Education's current asset holding was as follows:

Assets	2007/08	2008/09
Mainstream Schools	1,881	1,888
LSEN Schools	18	14 and 4 Reform Schools
FET Colleges	3	3
ABET Centres	335	282
ECD Sites	1,029	1,029
EDCs	15	14

Immovable assets are managed through the Education Management Information System (EMIS) and the Schools Register of Needs Information System (SRNIS), which are updated annually.

The Departmental Asset Management Component has been established and most of the posts have been filled. The Department has complied with the minimum requirements and all movable assets have been bar-coded and recorded on the asset register as prescribed.

Asset Management Action Plan for 2008/09

	PROGRESS	CHALLENGES	ACTION PLAN
Asset Registers	Our Asset Register meets the required data as per National Treasury. All assets were updated as new assets were received.	Un-authorised movement of assets.	Continuous asset verification. Asset Management is presently capturing the assets.
Asset Management (Operational issues, performance and disposals)	Disposal Committee members appointed		Disposal to be done during 2008/2009 financial year. All items be disposed has been identified and listed.
Immovable Property	The Asset Register for immovable property has been initiated for schools, Departmental houses and Circuit offices. The manual Asset Register has been compiled for all Government owned houses and all schools around Mpumalanga Province. (See attached Register). All closed projects have been identified and will be transferred to the Department of Public Works as they are the custodians.	2004/2005 files were not available for the compilation of information for Audit purpose	Reconciliation on immovable property done on a monthly basis.
Audit and Internal Audit	External audit conducted during the period 2008/2009 and the audit response was forwarded to the Director of Finance and all audit queries were addressed. The 2 nd audit findings from the interim regularity audit and the audit performance of the Department on assets was done for the year ended 2009-03-31. The root causes and recommendations were mentioned. All the audit queries for the financial year ending were addressed.		All assets have been bar-coded to address the audit queries mentioned for the financial year ended. See attached comments from Asset Management.
Link between Asset Management, supply chain and budgeting.		All the quotations have been done by SCM. The Log 1 has been forwarded to Asset Management for capturing of assets according to their asset categories. All of the movable assets have been received at the main warehouse in Loco Street where they were distributed to various chief users. Link between SCM and Asset Management exist.	
Controls over assets		The receipts and issue of assets have been centralised as well as bar-coding thereof. All of the received assets were bar-coded as per chief user location. This is done for the proper control of assets.

REPORT OF THE AUDIT COMMITTEE

Provincial Department of Education (Mpumalanga Province)

Report of the Audit Committee

We are pleased to present our report for the financial year ended 31 March 2009.

Audit Committee Members and Attendance:

The Audit committee had a full membership compliment and have met a minimum of 4 times for the period under review as per the approved terms of reference. During the period under review the term of contract of the chairperson of the committee expired and one member resigned. Both vacant positions were appropriately filled. The details of attendance of meetings are recorded below.

Name of Member	Number of Meetings Attended
Mr. T T Ntuli (appointed Chairperson 19 March 2009)	3
Ms. R Kalidass (Chairperson to 19 March 2009)	3
Mr. B De Jager (resigned July 2008)	0
Mr. M Sibanyoni	4
Dr. H Jooste (appointed 01 November 2008)	2
Mr. A C Keyser (appointed 01 November 2008)	2

Audit Committee Responsibility

The Audit Committee is pleased to report that it has complied with its responsibilities arising from section 38 (1) (a) of the PFMA and Treasury Regulation 3.1. Further it also has adopted appropriate formal terms of reference as its audit committee charter, and has regulated its affairs in compliance with this charter and has discharged all its responsibilities as contained therein.

The effectiveness of internal control

The system of internal controls is designed to provide assurance that the Department maintain effective, efficient and transparent systems of financial and risk management, safeguarding of assets and efficient management of available working capital. In line with the Public Finance Management Act and the King II Report on Corporate Governance requirements, Internal Audit provides the Audit Committee and management with assurance that the internal controls are appropriate and effective. Management strive to establish good internal controls by means of a prudent risk management process, as well as identification of corrective actions on issues identified by internal auditors and/or implementation of suggested enhancements to the controls and processes as per their recommendation. Significant control weaknesses continued to be reported through both internal and external audit reports. Inadequate policies and procedures, proper implementation of controls and as well as organizational staffing capacity, continued to be major factors contributing to the internal control weakness. The Department operated without a Chief Financial Officer for at least eight months during the financial year. We can therefore, not report that the system of internal controls for the period under review was efficient and effective.

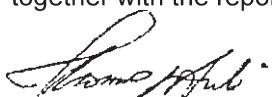

The quality of management and monthly/ quarterly reports submitted was in terms of the PFMA and the Division of Revenue Act. The Audit Committee has taken note of the content and quality of monthly and quarterly reports prepared and issued by the Accounting Officer of the Department during the year under review. The area of concern for the Audit Committee relates to risk management, timeous submission of financial reports and reporting on performance information.

Evaluation of Financial Statements

The Audit Committee has:

- reviewed and discussed the audited annual financial statements to be included in the annual report, with the Auditor-General and Accounting Officer;
- reviewed the Auditor-General's management letter and management's response thereto;
- noted no changes in accounting policies and practices; and
- reviewed significant adjustments resulting from the audit.

The Audit Committee concurs and accepts the Auditor-General's conclusion on the annual financial statement, and recommends that the audited annual financial statements be accepted and read together with the report of the Auditor-General.

Mr TT Ntuli
Chairperson of the Audit Committee

Date: 24th August 2008

REPORT OF THE ACCOUNTING OFFICER

Report of the Accounting Officer for the year ended 31 March 2009

Report by the Accounting Officer to the Executive Authority and Provincial Legislature of the Republic of South Africa.

1. General review of the state of financial affairs

The 2008/09 financial year was extremely demanding for Mpumalanga Department of Education (MDoE). The capacity and capabilities of the Department was tested in terms of delivery against its core mandate versus the reality of operational constraints. These constraints resulted in a number of challenges regarding the financial affairs of the MDoE.

The MDoE was allocated a budget vote of R9,357 billion for the period under review. During this period the MDoE was required to implement the Occupational Specific Dispensation (OSD) regarding the remuneration of Educators. OSD implementation among other cost drivers led the Department to over spend its vote by an amount of R3,9 million (0.04% of the budget vote). The impact of the financial pressure posted by the various cost drivers was contained to a minimum by prudent and vigorous management intervention in the financial affairs of the Department. The key cost drivers and their impact on the financial position of the MDoE are:

- The implementation of OSD for compensation of educators during the period under review seriously impacted on the budget. The OSD agreement was reached and signed in April 2008 and was required to be retroactively implemented from January 2008. The additional funding received to address the OSD did not adequately allow for the carry through effect of the implementation of OSD in the Compensation of Personnel Budget of MDoE.
- The tariff increment for markers for the November 2008 examinations was agreed and implemented after the budget adjustment. The MDoE was also faced with a challenge in releasing Grade 12 results on time during the period under review.
- Additional support program offered to address the exam preparation needs of Grade 12 learners in Mpumalanga also impacted on the budget.
- The significant adjustment of scholar transport tariff rates for the service providers also contributed towards the over expenditure. The forensic investigation continued for the period under review.
- The contractual obligations of MDoE towards infrastructure projects undertaken by the MDoE's Implementing Agents dating back to 2004 also became key cost drivers during the period under review. Due to the required management intervention certain planned projects had to be reprioritised.

The impact of the key cost drivers and the resultant overspending of R3,9 million on an adjusted vote of R 9,357 billion is not indicative of a 100% spend on all programs, including Conditional Grants, and the resultant accruals, but portrays the results of management interventions to control potential rampant overspending on the allocated vote. This according to legislation is an unauthorized expenditure. The department also withheld an amount of R22 million at the end of the financial year in order to control the cash flow, however it was subsequently paid during April 2009.

2. Service rendered by the Mpumalanga Department of Education

MDoE is the custodian of education and training in the province. The governance and provisioning of education is the primary mandate of the Department.

This primary mandate of governance and provisioning of education to more than 1 million learners in Mpumalanga is facilitated through:

- 1 928 public schools, 3 Further Education and Training colleges (FET) and a public entity (Mpumalanga Regional Training Trust - MRTT).
- The technical, administrative and managerial support provided by 67 circuit offices and 4 regional offices and 11 Education Development Centres (EDC) that are coordinated by a head office based in Nelspruit.
- A staff complement in excess of 44 000 officials comprising of educators and administrators.
- Specific interventions to address special needs are addressed through – 18 Special Schools, 282 Public Adult Learning Centres (PALC) offering Adult Basic Education and Training (ABET) and 1 029 Early Childhood Development (ECD) Centres.
- The governance of home education (669 learners) and 78 Independent schools, of which 36 are funded, is also managed by MDoE.
- To date 952 schools had been declared 'No fee' schools benefitting 420 238 learners.

MDoE facilitated the following key services:

- The transportation of more than seventy thousand learners in rural areas to and from school.
- All stationary packages for the 2009 school year were delivered to schools in November 2008 and 98.3% of text and prescribed books were delivered to schools during January 2009.
- 573 725 Learners were fed through the National School Nutrition Program.
- 25 000 learners benefited from the ABET program.
- Stakeholder involvement was strengthened – Teacher summits and Learner summits were undertaken.
- The Ligbron e-learning program in Gert Sibande Region was implemented in the year under review. This is a simultaneous interactive electronic teaching program that benefits five schools. This is the first intervention of its kind in South Africa.
- Self administration of FET institutions – this ensured that the FET institutions were able to self administer in the following financial year.
- Singita / Bushbuckridge Disaster Project – MDoE used the opportunity that the disaster created to address the infrastructure repair needs of schools in the affected area.
- Supporting of the implementation of the new curriculum in Grade 12.
- The Dial-in tutoring service to support Grade 12 learners received an award recognising excellence from National Government
- The mobile career guidance centre was refurbished and is being utilised to provide career information to learners throughout the province
- Adopting and implementing of National School infrastructure norms and standards.

REPORT OF THE ACCOUNTING OFFICER

3. Capacity constraints

MDoE faced serious financial and administrative management constraints as a result of disciplinary action taken against senior officials within the Chief Financial Officer's branch.

The financial constraints mentioned above resulted in a moratorium on the filling of administrative public service staff posts during the financial year under review. This further hampered efficiency within the supply chain management and asset management units.

4. Utilisation of donor funds

The Department received no donor funding (cash or kind) during the year under review.

5. Trading entities and public entities

Mpumalanga Regional Training Trust (MRTT) is the public entity operating under the governance of MDoE. The main functions of MRTT are to deliver technical, entrepreneurial, management and leadership skills training.

MRTT has an academy that offers training in hotel management, catering and environmental affairs. The academy delivers short courses and targets the development of skills among the youth. During the period under review a total of 2 837 out-of-school youths were trained.

An amount of R23 million has been transferred to this institution during the year under review.

MRTT is gazetted as a public entity in government gazette dated 19th July 2002 under Notice 1283 of 2002 issued by National Treasury.

6. Organisations to whom transfer payments have been made

The Department made no transfer payments to organisations other than educational institutions. A list of transfers that have been made to these institutions can be viewed in **Annexure 1C**, statement of transfers to non-profit institutions.

7. Public private partnerships (PPP)

The Department manages its PPPs through the Mpumalanga Educational Development Trust (MEDT). The oversight of this entity is managed through representation on the board of trustees.

During the financial year under review the following projects were undertaken by MEDT

- The MTN Science Centre Project (Piet Retief)
- ABSA Foundation Project on e-learning (Ermelo)
- Mondi Career guidance and science centre project (Piet Retief)
- Whole School Development Project initiative with the Kagiso Development Trust (Nkangala)
- Sasol Project - establishment and equipping of science laboratories (Ithembaba and Mpuluzi educational centres)

REPORT OF THE ACCOUNTING OFFICER

8. Corporate governance arrangements

Good governance in MDoE is viewed as a priority. A number of initiatives have been implemented to ensure that corporate governance is institutionalised:

- The Audit Committee has been constituted and is fully functional.
- Head of internal audit (IA) post was filled after a protracted period. The Head of IA reports functionally to the Audit Committee and administratively to the Accounting Officer.
- A unit to facilitate enterprise risk management functions was established in the year under review.
- All governance committees as required by the Preferential Procurement Policy Framework Act (PPPFA) have been constituted and are fully functional.
- Policy reviews have been undertaken pertaining to Human Resource Management.

9. Discontinued activities/activities to be discontinued

No activities were discontinued during the financial year under review.

10. New/proposed activities

No new proposed activities have been implemented during the financial year under review. Although there were no new activities during the financial year under review, new priorities were identified by the National Department of Education (DoE). Funding of these new priorities was ring-fenced by the MDoE. Expenditures on the new priorities alongside with previous year's priorities were reported on, on a monthly basis to DoE. These new priorities consisted of the following:

- Inclusion of secondary schools in the National Schools Nutrition Programme.
- Additional infrastructure development
- Supply of learner and teacher support material in Grades 10-12.

11. Asset management

Asset management has not been adequately attended to in the past and current period. About 50% of the payment vouchers to update the asset register to the value of R769 million has been obtained but could not be made available on time.

- Development of policies on asset management and disposal.
- Appointment of the Loss and Disposal Committee.
- Considerable attention was given to the reconciliation of assets on the Basic Accounting System (BAS) and Logistical Information System (LOGIS), but this was insufficient to reconcile the assets as per BAS and LOGIS.

12. Events after the reporting date

An acting Head of Department was appointed on the 1st of May 2009.

13. Performance information

The overall performance of the Department can be seen in the program performance as described in Part 2 of the Annual Report of the Department.

REPORT OF THE ACCOUNTING OFFICER

14. SCOPA resolutions

No SCOPA resolutions were taken in the financial year under review.

15. Prior modifications to audit reports

An intervention plan was developed wherein all qualifications, emphasis of matters and other issues raised in the previous audit report were listed. Action plans indicating deliverables, target dates and responsible officials were developed. These action plans are expected to mitigate all issues previously reported.

16. Exemptions and deviations received from the National Treasury

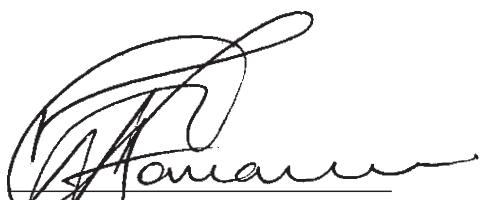

No exemptions from the Public Finance Management Act or Treasury Regulations or deviation from the financial reporting requirements were received for the current and/or prior financial year.

17. Other

During the financial year under review there were no other material facts or circumstances, which may have an effect on the understanding of the financial state of affairs, not addressed elsewhere in this report.

18. Approval

The Annual Financial Statements set out on pages 56 to 110 have been approved by the Accounting Officer.

REPORT OF THE AUDITOR-GENERAL TO THE MPUMALANGA LEGISLATURE ON THE FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION OF VOTE NO. 7: DEPARTMENT OF EDUCATION FOR THE YEAR ENDED 31 MARCH 2009

REPORT ON THE FINANCIAL STATEMENTS

Introduction

1. I have audited the accompanying financial statements of the Department of Education which comprise the statement of financial position as at 31 March 2009, and the appropriation statement, statement of financial performance and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes, as set out on pages 56 to 110.

The accounting officer's responsibility for the financial statements

2. The accounting officer is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting determined by the National Treasury, as set out in accounting policy note 1.1 and in the manner required by the Public Finance Management Act, 1999 (Act No. 1 of 1999) (PFMA) and the Division of Revenue Act, 2008 (Act No. 2 of 2008) (DoRA) and for such internal control as the accounting officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Auditor-General's responsibility

3. As required by section 188 of the Constitution of the Republic of South Africa, 1996 read with section 4 of the Public Audit Act, 2004 (Act No. 25 of 2004) (PAA), my responsibility is to express an opinion on these financial statements based on my audit.
4. I conducted my audit in accordance with the International Standards on Auditing read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
6. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Basis for qualified opinion

Capital assets

7. I was unable to obtain sufficient appropriate audit evidence concerning the completeness and accuracy of capital assets at 31 March 2009 to the amount of R1 246 003 000, as disclosed in note 27 and 29 to the financial statements. The department did not perform a reconciliation or submit any explanations or supporting documentation regarding the difference of R833 533 073 between the fixed asset register and the amount disclosed in the financial statements. I could also not perform any alternative procedures to gain adequate audit assurance in this regard.
8. I was unable to obtain sufficient appropriate audit evidence concerning the accuracy of the adjustments to the opening balance of major capital assets of R51 914 000, as presented in disclosure note 27 to the financial statements, due to the lack of supporting documentation for these adjustments. I was also unable to perform any alternative audit procedures to gain adequate audit assurance with regard to the accuracy of this amount.
9. I was unable to obtain sufficient appropriate audit evidence concerning the existence of non-residential buildings to the amount of R849 366 000 as disclosed in note 29 to the financial statements. I was also unable to perform any alternative audit procedures to gain adequate audit assurance with regard to the existence of this amount.
10. I was unable to obtain sufficient appropriate audit evidence concerning the accuracy of the non-cash additions to the amount of R21 009 000 in disclosure note 27.2 to the financial statements, as the department did not provide sufficient supporting documentation for these additions. I was unable to carry out any alternative audit procedures I would consider necessary to gain adequate audit assurance as to the accuracy of this amount.
11. In terms of the definition of assets included in the basis of accounting, assets are resources controlled by an entity as a result of past events and from which future economic benefits or service potential are expected to flow to the entity.
 - Included in disclosure note 27.1 were additions to computers and equipment to the amount of R31 000 000 which were not under the control of the department. These additions should have been transferred to the respective schools. Therefore, additions as well as capital assets at 31 March 2009 as disclosed in note 27.1 to the financial statements were overstated by R31 000 000.
 - The department did not disclose residential properties in the financial statements although rental income of R969 431 was received in respect of the lease of residential buildings. The value of the buildings by which the capital assets were understated could not be determined, as it was impracticable to do so.

Commitments

12. I could not obtain sufficient appropriate evidence as to the accuracy and completeness of commitments to the amount of R438 221 000 and lease commitments to the amount of R668 352 000 as disclosed in notes 20 and 23 to the financial statements, respectively. Accordingly, I was unable to determine whether any adjustments might have been necessary to the amounts disclosed in the financial statements for commitments and lease commitments.

Accruals

13. In terms of the definition of an accrual, accruals represent goods/services that have been received, but where no invoice has been received from suppliers at the reporting date, or where an invoice has been received but final authorisation for payment has not been effected on the system. The department did not accrue for invoices amounting to R31 131 500, due to a lack of internal controls. Therefore, accruals at 31 March 2009 as disclosed in note 21 to the financial statements were understated by R31 131 500.

Expenditure

14. I was unable to obtain sufficient appropriate audit evidence concerning the validity of goods and services as disclosed in the statement of financial performance, as the department could not provide sufficient audit evidence for expenditure amounting to R44 423 700. I was unable to carry out any alternative audit procedures I would consider necessary to gain adequate audit assurance as to the accuracy of this amount.

Qualified opinion

15. In my opinion, except for the possible effects of the matters described in the Basis for qualified opinion paragraphs, the financial statements present fairly, in all material respects, the financial position of the Department of Education as at 31 March 2009 and its financial performance and its cash flows for the year then ended, in accordance with the modified cash basis of accounting determined by the National Treasury, as set out in accounting policy note 1.1 and in the manner required by the PFMA and DoRA.

Emphasis of matters

I draw attention to the following matters on which I do not express a qualified opinion:

Basis of accounting and amendment to the applicable basis of accounting

16. The department's policy is to prepare financial statements on the modified cash basis of accounting determined by the National Treasury, as set out in accounting policy note 1.1.
17. As disclosed in note 29 to the financial statements, the department has recognised certain immovable assets that might belong to the provincial Department of Public Works, due to the uncertainty regarding the legal title of the assets.

Irregular expenditure

18. As disclosed in note 25 to the financial statements, irregular expenditure to the amount of R414 005 000 was incurred, as the budgeted amount of compensation of employees was exceeded.

Unauthorised expenditure

19. As disclosed in note 9 to the financial statements, unauthorised expenditure amounting to R321 964 000 was incurred, as certain programmes were overspent and conditional grant amounts were utilised to pay for goods and services.

Material underspending of the budget

20. As disclosed in the appropriation statement, the department has materially underspent the budget on certain programmes to the amount of R253 665 000. This underspending relates to the following programmes: administration, independent schools, public special schools, adult basic education and training as well as early childhood development.

Other matters

I draw attention to the following matters that relate to my responsibilities in the audit of the financial statements:

Non-compliance with applicable legislation

Public Finance Management Act

21. Certain employees of the department did not declare their business interests, as required by section 50(3)(a) and (b) of the PFMA.
22. The accounting officer did not comply with section 85(1)(a) and (e) of the PFMA, read with Treasury Regulation 4.3.4, dealing with the submission of a report to the relevant treasury and Auditor-General on the outcome of disciplinary hearings.
23. Payments due to creditors were not always made within 30 days from receipt of an invoice, as required in terms of section 38(1)(f) of the PFMA and Treasury Regulation 8.2.3.

Governance framework

24. The governance principles that impact the auditor's opinion on the financial statements are related to the responsibilities and practices exercised by the accounting officer and executive management and are reflected in the internal control deficiencies and the key governance responsibilities addressed below:

Internal control deficiencies

25. Section 38(1)(a)(i) of the PFMA states that the accounting officer must ensure that the department has and maintains effective, efficient and transparent systems of financial and risk management and internal control. The table below depicts the root causes that gave rise to the deficiencies in the system of internal control, which led to the qualified opinion. The root causes are categorised according to the five components of an effective system of internal control. In some instances deficiencies exist in more than one internal control component.

Par. no.	Basis for qualified opinion	CE	RA	CA	IC	M
7, 8, 9, 10 11 and 12	Capital assets	6	5	3		1
12	Commitments	6	5	3		1
14	Accruals	6	5	3		1
14	Expenditure	6	5	3		1

Legend	
CE = Control environment	
The organisational structure does not address areas of responsibility and lines of reporting to support effective control over financial reporting.	1
Management and staff are not assigned appropriate levels of authority and responsibility to facilitate control over financial reporting.	2
Human resource policies do not facilitate effective recruitment and training, disciplining and supervision of personnel.	3
Integrity and ethical values have not been developed and are not understood to set the standard for financial reporting.	4
The accounting officer/accounting authority does not exercise oversight responsibility over financial reporting and internal control.	5
Management's philosophy and operating style do not promote effective control over financial reporting.	6
The entity does not have individuals competent in financial reporting and related matters.	7

RA = Risk assessment	
Management has not specified financial reporting objectives to enable the identification of risks to reliable financial reporting.	1
The entity does not identify risks to the achievement of financial reporting objectives.	2
The entity does not analyse the likelihood and impact of the risks identified.	3
The entity does not determine a risk strategy/action plan to manage identified risks.	4
The potential for material misstatement due to fraud is not considered.	5
CA = Control activities	
There is inadequate segregation of duties to prevent fraudulent data and asset misappropriation.	1
General information technology controls have not been designed to maintain the integrity of the information system and the security of the data.	2
Manual or automated controls are not designed to ensure that the transactions have occurred, are authorised, and are completely and accurately processed.	3
Actions are not taken to address risks to the achievement of financial reporting objectives.	4
Control activities are not selected and developed to mitigate risks over financial reporting.	5
Policies and procedures related to financial reporting are not established and communicated.	6
Realistic targets are not set for financial performance measures, which are in turn not linked to an effective reward system.	7
IC = Information and communication	
Pertinent information is not identified and captured in a form and time frame to support financial reporting.	1
Information required to implement internal control is not available to personnel to enable internal control responsibilities.	2
Communications do not enable and support the understanding and execution of internal control processes and responsibilities by personnel.	3
M = Monitoring	
Ongoing monitoring and supervision are not undertaken to enable an assessment of the effectiveness of internal control over financial reporting.	1
Neither reviews by internal audit or the audit committee nor self-assessments are evident.	2
Internal control deficiencies are not identified and communicated in a timely manner to allow for corrective action to be taken.	3

Key governance responsibilities

26. The PFMA tasks the accounting officer with a number of responsibilities concerning financial and risk management and internal control. Fundamental to achieving this is the implementation of key governance responsibilities, which I have assessed as follows:

No.	Matter	Y	N
Clear trail of supporting documentation that is easily available and provided in a timely manner			
1.	No significant difficulties were experienced during the audit concerning delays or the availability of requested information.		N
Quality of financial statements and related management information

Follow-up of audit findings			
13.	The prior year audit findings have been substantially addressed.		N
14.	SCOPA resolutions have been substantially implemented.		N
Issues relating to the reporting of performance information			
15.	The information systems were appropriate to facilitate the preparation of a performance report that is accurate and complete.		N
16.	Adequate control processes and procedures are designed and implemented to ensure the accuracy and completeness of reported performance information.		N
17.	A strategic plan was prepared and approved for the financial year under review for purposes of monitoring the performance in relation to the budget and delivery by the department against its mandate, predetermined objectives, outputs, indicators and targets (Treasury Regulations 5.1, 5.2 and 6.1).	Y	
18.	There is a functioning performance management system and performance bonuses are only paid after proper assessment and approval by those charged with governance.	Y	

Investigations

27. An investigation is being conducted with the aim to establish whether all the employees currently on the department's payroll are valid employees of the department. The investigation was still ongoing at the reporting date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

Report on performance information

28. I have reviewed the performance information as set out on pages 12 to 35.

The accounting officer's responsibility for the performance information

29. The accounting officer has additional responsibilities as required by section 40(3)(a) of the PFMA to ensure that the annual report and audited financial statements fairly present the performance against predetermined objectives of the department.

The Auditor-General's responsibility

30. I conducted my engagement in accordance with section 13 of the PAA read with *General Notice 616 of 2008*, issued in *Government Gazette No. 31057 of 15 May 2008*.

31. In terms of the foregoing my engagement included performing procedures of an audit nature to obtain sufficient appropriate evidence about the performance information and related systems, processes and procedures. The procedures selected depend on the auditor's judgement.

32. I believe that the evidence I have obtained is sufficient and appropriate to provide a basis for the findings reported below.

Findings on performance information

Reported performance information not relevant

33. All targets with regard to the subprogrammes: public primary schools, public secondary schools and infrastructure were not time bound in specifying the time period or deadline for delivery:

Reported performance information not reliable

Source information not accurate and complete

34. The source information or evidence provided to support the reported performance information with regard to the subprogramme: infrastructure did not adequately support the accuracy and completeness of the facts.

APPRECIATION

35. The assistance rendered by the staff of the Department of Education during the audit is sincerely appreciated.

2. Detail of specifically and exclusively appropriated amounts voted (after Virement):

Detail of these transactions can be viewed in note 1 (Annual Appropriation) to the Annual Financial Statements.

3. Detail on financial transactions in assets and liabilities

Detail of these transactions per programme can be viewed in note 6 (Financial transactions in assets and liabilities) to the Annual Financial Statements.

4. Explanations of material variances from Amounts Voted (after Virement):

4.1 Per Programme	Final Appropriation	Actual Expenditure	Variance	Variance as a % of Final Appropriation
	R'000	R'000	R'000	%
Programme 1: Administration	1 043 868	889 014	154 854	15%

The under-expenditure on this programme is as a result of the invoices which could not be processed due to the cash flow challenges.

Programme 2: Public Ordinary Schools	7 615 918	7 849 008	(233 090)	(3%)
---	-----------	-----------	-----------	------

The over-expenditure is as a result of compensation of employees, which was affected by the implementation of OSD and its carry-through effect.

Programme 3: Independent Schools	12 500	11 136	1 364	11%
-------------------------------------	--------	--------	-------	-----

There were no transfers which were processed during the month of March 2009 as there were no claims submitted.

Programme 4: Public Special Schools	158 051	130 042	28 009	18%
--	---------	---------	--------	-----

The under-expenditure on this programme is as a result of cash flow challenges.

Programme 5: Further Education and Training	215 940	205 757	10 183	5%
---	---------	---------	--------	----

The under-expenditure on this programme can be attributed to the compensation of employees as a result of staff turnover which resulted in variances.

**ACCOUNTING POLICIES
for the year ended 31 March 2009**

The Financial Statements have been prepared in accordance with the following policies, which have been applied consistently in all material aspects, unless otherwise indicated. However, where appropriate and meaningful, additional information has been disclosed to enhance the usefulness of the Financial Statements and to comply with the statutory requirements of the Public Finance Management Act, Act 1 of 1999 (as amended by Act 29 of 1999), and the Treasury Regulations issued in terms of the Act and the Division of Revenue Act, Act 2 of 2008.

1. Presentation of the Financial Statements

1.1 Basis of preparation

The Financial Statements have been prepared on a modified cash basis of accounting, except where stated otherwise. The modified cash basis constitutes the cash basis of accounting supplemented with additional disclosure items. Under the cash basis of accounting transactions and other events are recognised when cash is received or paid.

1.2 Presentation currency

All amounts have been presented in the currency of the South African Rand (R) which is also the functional currency of the department.

1.3 Rounding

Unless otherwise stated all financial figures have been rounded to the nearest one thousand Rand (R'000).

1.4 Comparative figures

Prior period comparative information has been presented in the current year's financial statements. Where necessary figures included in the prior period financial statements have been reclassified to ensure that the format in which the information is presented is consistent with the format of the current year's financial statements.

1.5 Comparative figures - Appropriation Statement

A comparison between actual amounts and final appropriation per major classification of expenditure is included in the Appropriation Statement.

2. Revenue

2.1 Appropriated funds

Appropriated funds are recognised in the financial records on the date the appropriation becomes effective. Adjustments to the appropriated funds made in terms of the adjustments budget process are recognised in the financial records on the date the adjustments become effective.

Total appropriated funds are presented in the Statement of Financial Performance.

Unexpended appropriated funds are surrendered to the Provincial Revenue Fund. Amounts owing to the Provincial Revenue Fund at the end of the financial year are recognised in the Statement of Financial Position.

2.2 Statutory Appropriation

Statutory appropriations are recognised in the financial records on the date the appropriation becomes effective. Adjustments to the statutory appropriations made in terms of the adjustments budget process are recognised in the financial records on the date the adjustments become effective.

Total statutory appropriations are presented in the Statement of Financial Performance.

Unexpended statutory appropriations are surrendered to the Provincial Revenue Fund. Amounts owing to the Provincial Revenue Fund at the end of the financial year are recognised in the Statement of Financial Position.

2.3 Departmental revenue

All departmental revenue is paid into the Provincial Revenue Fund when received, unless otherwise stated. Amounts owing to the Provincial Revenue Fund at the end of the financial year are recognised in the Statement of Financial Position.

Amounts receivable at the reporting date are disclosed in the disclosure notes to the annual financial statements.

2.3.1 Tax revenue

Tax revenue consists of all compulsory unrequited amounts collected by the department in accordance with laws and or regulations (excluding fines, penalties & forfeits).

Tax receipts are recognised in the Statement of Financial Performance when received.

2.3.2 Sales of goods and services other than capital assets

The proceeds received from the sale of goods and/or the provision of services is recognised in the Statement of Financial Performance when the cash is received.

2.3.3 Fines, penalties & forfeits

Fines, penalties & forfeits are compulsory unrequited amounts which were imposed by a court or quasi-judicial body and collected by the department. Revenue arising from fines, penalties and forfeits is recognised in the Statement of Financial Performance when the cash is received.

2.3.4 Interest, dividends and rent on land

Interest, dividends and rent on land is recognised in the Statement of Financial Performance when the cash is received.

2.3.5 Sale of capital assets

The proceeds received on sale of capital assets are recognised in the Statement of Financial Performance when the cash is received.

2.3.6 Financial transactions in assets and liabilities

Repayments of loans and advances previously extended to employees and public corporations for policy purposes are recognised as revenue in the Statement of Financial Performance on receipt of the funds.

Cheques issued in previous accounting periods that expire before being banked are recognised as revenue in the Statement of Financial Performance when the cheque becomes stale. When the cheque is reissued the payment is made from Revenue.

2.3.7 Transfers received (including gifts, donations and sponsorships)

All cash gifts, donations and sponsorships are paid into the Provincial Revenue Fund and recorded as revenue in the Statement of Financial Performance when received. Amounts receivable at the reporting date are disclosed in the disclosure notes to the financial statements.

All in-kind gifts, donations and sponsorships are disclosed at fair value in an annexure to the financial statements.

2.4 Direct Exchequer receipts

All direct exchequer receipts are recognised in the Statement of Financial Performance when the cash is received.

All direct exchequer payments are recognised in the Statement of Financial Performance when final authorisation for payment is effected on the system (by no later than 31 March of each year).

2.5 Aid assistance

Local and foreign aid assistance is recognised as revenue when notification of the assistance is received from the National Treasury or when the department directly receives the cash from the donor(s).

All in-kind local and foreign aid assistance are disclosed at fair value in the annexure to the annual financial statements.

The cash payments made during the year relating to local and foreign aid assistance projects are recognised as expenditure in the Statement of Financial Performance. The value of the assistance expensed prior to the receipt of the funds is recognised as a receivable in the Statement of Financial Position.

Inappropriately expensed amounts using local and foreign aid assistance and any unutilised amounts are recognised as payables in the Statement of Financial Position.

3. Expenditure

3.1 Compensation of employees

3.1.1 Short-term employee benefits

Salaries and wages comprise payments to employees (including leave entitlements, thirteenth cheques and performance bonuses). Salaries and wages are recognised as an expense in the Statement of Financial Performance when final authorisation for payment is effected on the system.

All other payments are classified as current expense.

Short-term employee benefits that give rise to a present legal or constructive obligation are disclosed in the disclosure notes to the financial statements. These amounts are not recognised in the Statement of Financial Performance or Position.

3.1.2 Post retirement benefits

The department provides retirement benefits (pension benefits) for certain of its employees through a defined benefit plan for government employees. These benefits are funded by both employer and employee contributions.

Employer contributions (i.e. social contributions) to the fund are expensed when the final authorisation for payment to the fund is effected on the system. No provision is made for retirement benefits in the financial statements of the department. Any potential liabilities are disclosed in the financial statements of the Provincial Revenue Fund and not in the financial statements of the employer department.

The department provides medical benefits for certain of its employees. Employer contributions to the medical funds are expensed when final authorisation for payment to the fund is effected on the system.

3.1.3 Termination benefits

Termination benefits such as severance packages are recognised as an expense in the Statement of Financial Performance as a transfer (to households) when the final authorisation for payment is effected on the system.

3.1.4 Other long-term employee benefits

Other long-term employee benefits (such as capped leave) are recognised as an expense in the Statement of Financial Performance as a transfer (to households) when the final authorisation for payment is effected on the system.

Long-term employee benefits that give rise to a present legal or constructive obligation are disclosed in the disclosure notes to the financial statements. These amounts are not recognised in the Statement of Financial Performance or Position.

3.2 Goods and services

Payments made for goods and/or services are recognised as an expense in the Statement of Financial Performance when the final authorisation for payment is effected on the system. The expense is classified as capital if the goods and services were used for a capital project or an asset of R5 000 or more is purchased. All assets costing less than R5 000 will also be reflected under goods and services.

**ACCOUNTING POLICIES
for the year ended 31 March 2009**

3.3 Interest and rent on land

Interest and rental payments are recognised as an expense in the Statement of Financial Performance when the final authorisation for payment is effected on the system. This item excludes rental for the use of buildings or other fixed structures. If it is not possible to distinguish between payment for the use of land and the fixed structures on it, the whole amount should be recorded under goods and services.

3.4 Financial transactions in assets and liabilities

Debts are written off when identified as irrecoverable. Debts written-off are limited to the amount of savings and/or under spending of appropriated funds. The write off occurs at year-end or when funds are available. No provision is made for irrecoverable amounts but amounts are disclosed as a disclosure note.

All other losses are recognised when authorisation has been granted for the recognition thereof.

3.5 Transfers and subsidies

Transfers and subsidies are recognised as an expense when the final authorisation for payment is effected on the system.

3.6 Unauthorised expenditure

When discovered unauthorised expenditure is recognised as an asset in the statement of financial position until such time as the expenditure is either approved by the relevant authority, recovered from the responsible person or written off as irrecoverable in the Statement of Financial Performance.

Unauthorised expenditure approved with funding is recognised in the Statement of Financial Performance when the unauthorised expenditure is approved and the related funds are received. Where the amount is approved without funding it is recognised as expenditure, subject to availability of savings, in the Statement of Financial Performance on the date of approval.

3.7 Fruitless and wasteful expenditure

Fruitless and wasteful expenditure is recognised as expenditure in the Statement of Financial Performance. If the expenditure is recoverable it is treated as an asset until it is recovered from the responsible person or written off as irrecoverable in the Statement of Financial Performance.

3.8 Irregular expenditure

Irregular expenditure is recognised as expenditure in the Statement of Financial Performance. If the expenditure is not condoned by the relevant authority it is treated as an asset until it is recovered or written off as irrecoverable in the Statement of Financial Performance.

3.9 Expenditure for capital assets

Payments made for capital assets are recognised as an expense in the Statement of Financial Performance when the final authorisation for payment is effected on the system.

4. Assets

4.1 Cash and cash equivalents

Cash and cash equivalents are carried in the Statement of Financial Position at cost.

For the purposes of the Cash Flow Statement, cash and cash equivalents comprise cash on hand, deposits held, other short-term highly liquid investments and bank overdrafts.

4.2 Other financial assets

Other financial assets are carried in the Statement of Financial Position at cost.

4.3 Prepayments and advances

Amounts prepaid or advanced are recognised in the Statement of Financial Position when the payments are made.

Pre-payments and advances outstanding at the end of the year are carried in the Statement of Financial Position at cost.

4.4 Receivables

Receivables included in the Statement of Financial Position arise from cash payments made that are recoverable from another party.

Receivables outstanding at year-end are carried in the Statement of Financial Position at cost plus any accrued interest.

4.5 Loans

Loans are recognised in the Statement of Financial Position at the nominal amount when cash is paid to the beneficiary. Loan balances are reduced when cash repayments are received from the beneficiary. Amounts that are potentially irrecoverable are included in the disclosure notes.

Loans that are outstanding at year-end are carried in the Statement of Financial Position at cost.

4.6 Inventory

Inventories purchased during the financial year are disclosed at cost in the notes.

4.7 Capital assets

4.7.1 Movable assets

A capital asset is recorded on receipt of the item at cost. Cost of an asset is defined as the total cost of acquisition. Where the cost cannot be determined accurately, the movable capital asset is stated at fair value. Where fair value cannot be determined, the capital asset is included in the asset register at R1.

Subsequent expenditure of a capital nature is recorded in the Statement of Financial Performance as "expenditure for capital asset" and is capitalised in the asset register of the department on completion of the project.

Repairs and maintenance is expensed as current "goods and services" in the Statement of Financial Performance.

4.7.2 Immovable assets

A capital asset is recorded on receipt of the item at cost. Cost of an asset is defined as the total cost of acquisition. Where the cost cannot be determined accurately, the immovable capital asset is stated at R1 unless the fair value for the asset has been reliably estimated.

Work-in-progress of a capital nature is recorded in the Statement of Financial Performance as "expenditure for capital asset". On completion, the total cost of the project is included in the asset register of the department that legally owns the asset or the provincial/national department of public works.

Repairs and maintenance is expensed as current "goods and services" in the Statement of Financial Performance.

5. Liabilities

5.1 Voted funds to be surrendered to the Revenue Fund

Unexpended appropriated funds are surrendered to the Provincial Revenue Fund. Amounts owing to the Provincial Revenue Fund at the end of the financial year are recognised in the Statement of Financial Position.

5.2 Departmental revenue to be surrendered to the Revenue Fund

Amounts owing to the Provincial Revenue Fund at the end of the financial year are recognised in the Statement of Financial Position at cost.

5.3 Direct Exchequer receipts to be surrendered to the Revenue Fund

All direct exchequer fund receipts are recognised in the Statement of Financial Performance when the cash is received.

Amounts received must be surrendered to the relevant revenue fund on receipt thereof. Any amount not surrendered at year end is reflected as a current payable in the Statement of Financial Position.

5.4 Bank overdraft

The bank overdraft is carried in the Statement of Financial Position at cost.
